Agenda 2:00 PM

Co-design agenda in every meeting

Landing and connecting

Reviewing the Everybody sleeps RFP

Minutes

How is your week as we are closing out another Friday?

Every person checked in

Discussed the current RFP and plans for timing with the shelter crisis

The first freezing temperature of the season is today.

Convening leaders in shelter and working to discover:

We could take the bones and outline them to then plug in data as we are getting it. What we were looking for is sanctuary- as we hear different ideas then we can plug them in.

Tag- the aspects that are present and then what is missing and ask the question about what it would take to include it?

Then make it actionable.

From Brian- please create a form that includes the following questions?

Person's name

Questions would be

What emergency shelters are currently scheduled to open by thanksgiving

Are they high barrier? Low barriers?

Ask a series of questions about shelter- related to our rfp- What are the locations? What are the opportunities for permanent housing that are going to be offered to people?

Oct 2nd, Chittenden County Homeless Alliance meeting- Brian is going to organize folks going there.

Thank you all.
