1. Introductions & Check-in	Agenda Items: - Check-in: Name, Nominating Organization - Discussion about LAOB related security concerns - Executive session for security/emergency response measures - Public Comment
2.Discussion/ Updates	Jessica is a contractor with LAOB. She is meeting with our committee members to work toward some safety and security plans for LAOB as well as a community code of conduct. We will discuss cyber and data security, and what to do when there is a breach of data (verbal, electronic, or written). Question: How will this committee relay information back to the board?

	Response: It would be appropriate to go back to the board and brief them, so they have a clear understanding of this discussion. Susan Aranoff makes a motion to go into executive session to discuss security, cybersecurity, or emergency response measures and that disclosure of which could jeopardize public safety. Zach Hughes seconds that motion. All were in favor. Note: Jessica Robinson and LAOB Staff were present for Executive Session in addition to the committee present. Zach Hughes makes a motion to exit executive session. Susan seconds that motion. All were in favor. No decisions were made.
